Eminem, Crazy In Love

[Ann Wilson's voice]
I Tell myself that I'm doing alright
Nothing else to do tonight but
To go Crazy, Crazy On You
Lemme go Crazy, Crazy on you
youuuuuuuuu

[Verse 1]

Can't you see what you do to me baby?

You make me crazy, you make me act like a maniac.

I'm like a lunatic, you make me sick

You truly are the only one who can do this to me

You just make me get so crazy.

I go skitzo, I get so insane I just go skitzophrenic

One minute I want to slit your throat

The next I want to sex.

You make me crazy,

the way we act like 2 maniacs in the sac

We fuck like 2 jackrabbits

And maybe that's a bad habit.

Cuz the next day we're right back at it

In the same exact pattern

What the fuck is the matter with us

We can't figure out if it's

Lust or it's love

What's sad is what's attracting us to each other

They say that every man grows up to marry his own mother.

Which would explain why you're such a motherfucking bitch

But I stay and still stick it out with you even though I just hit you today

But you deserve it you hit me first and provoked me to choke you Just cuz I came home late last night crawled in bed and I woke you.

But if there's one thing about you I admire its, baby,

Because you stay with me, maybe, because you're as crazy as I am

Cuz when I look at you I can see an angel in your eyes

But if I look deeper inside I see your freakish little side.

Like a devil in disquise,

You're always full of surprises

Always pullin' devises

Out your purse, little vibrators and dildos

You fucked yourself so much

You barely feel those anymore

You're only 24 but you're plenty more mature

Than those other little hoes

Who just act like little girls

Like they're in middle school still

You're crazy sexy cool, chillin

You play your position

You never step out of line

Even though I stay in your business

You've always kept out of mine.

I wonder whats on your mind

Sometimes they say love is blind

Maybe that's why the first time I dotted your eye

You ain't see a sign.

[with Chorus]

Or maybe you did Maybe you like being shoved

Maybe cuz we're crazy in loooove

[Chorus]

Crazy on you

Crazy on you

Let me go crazy crazy on youuuuuuuuu

[Verse 2]

You're the ink to my paper Where my pen is to my pad The moral, the very fiber The whole substance to my rap. You are my reason for being The meaning of my existence If it wasn't for you I would never be able to spit this As intense I do and the irony Is you rely on me as much as I rely on you to inspire me like you do. You provide me the lighter fluid to fuel my fire You're my entire supply Gas, the match, the igniter. The only way that I am able to stay so stable Is you're the legs to my table If you were to break I'd fall on my face. But I'm always going to make you feel I don't need you as much as I really need you So you don't use it to your advantage. But you're essential to me You're the air I breathe I believe if you ever leave me I'd probably have no reason to be. You are the Kim to my Marshall You're the Slim to my Shady The Dre to my Eminem The Elaina to my Hailey. You are the word I am looking for when I'm trying to describe how I feel inside And the right one just won't come to my mind. You're like the pillar that props me up The beam that supports me The bitch who never took half, The wife who never divorced me. You're like the root to my evil You let my devil come out me You let me beat the shit out you Before you beat the shit out me.

[with Chorus]

And no matter how much Too much is never enough Maybe cuz we're crazy in loooove

[Chorus] I'm crazy on you Crazy on you Let me go crazy crazy on youuuuuuuuu
