Kygo, Zara Larsson, Tyga, Like It Is

maybe you should leave this girl alone
but you won’t
but you won’t
now delete my number from your phone
but you won’t
you gotta go
line by line
gotta spell it right out

I don’t know what you’re looking for
nbut I don’t think it’s me
I wish I could give you my all
not good at make believe
I don’t feel how you feel
I am just telling it like it is
I don’t need you to say those words no more

I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is

[Tyga:]
(…)

I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
(you got me) /2x
I am just telling it like it is
