## Eminem, Hail Mary Remix

all i see is murder murder my mind say left tha keys in tha van, with a gat in each hand went up to neiceland, shot a police man fuck a beets playin, im citizan bystand tha shit is in my hand, here is yo lifespan fo what yo lifes worth, this money is twice than grab a couple grand, and live a nice land see im a nice man, but money turned me ta shady im thursty for this green so bad, im dehydrating hurry up with tha cash bitch, i gotta ride waitin shot a man twice in tha back, when he tried escaping i want tha whole pie, i wont be denyed nathan maybe i need my head inside straightend my brain consaplatin, clean out tha register quick! b4 someone catches ya gets yo description and sketches ya and they connect you as tha prime suspect but i havent set ta flee tha scene of tha crime just yet let tha keys in tha van
