Lauv, Sims (Miquela Remix)

i wish that you and i lived in the sims
we could build a house and plant some flowers and have kids
but we're both at some trashy Halloween party downtown
and I'll probably never see you again
I wish that we lived on a VHS
I'd erase the things I said
and that I'll probably say again
hit rewind on all the times ai got lost in my head
but I guess I'll never see you gain
I'll probably never see you again

goddamn
I wish we would have met on another night
maybe then
I wouldn't have let you leave me
goddamn
I wish we would have met on another night
in another life, baby
in another life,

o wish that we met walking round he moon
and I'd say nice to meet you
stead of saying nice to know you
I tried to impress you whit some bullshit about my name
at least I wouldn't be too drunk to stay
and I wouldn't have let you slip away

goddamn
I wish we would have met on another night
maybe then
I wouldn't have let you leave me
goddamn
I wish we would have met on another night
in another life, baby
in another life,

I wouldn't have let you
I wouldn't have let you
I wouldn't have let you
I wouldn't have let you
I wouldn't have let you
I wouldn't have let you
I wouldn't have let you
