League of Legends, Take Over (ft. Jeremy McKin

We at the top again, now what?
Heavy lay the crown, but
Count us
Higher than the mountain

And we be up here for the long run
Strap in for a long one
We got everybody on one

Now you're coming at the king
So you better not miss
And we only get stronger
With everything i carry up on my back
You shoulf paint i tup with a taerget

Wh would you dare me to do it again?
Come get your spoiler up Ahead

We're taking
We're taking over
Look at you come at my name
You' oughta know be now
That we're taking ober
taking over
maybe you Wonder what you're faetures gonna be
but i got it all locked up
