Lil Uzi Vert, Quavo & Travis Scott, Go Off

One more ride
One more race
We go all out
We don’t play
One more ride
One more race
We don’t slow down
Ain’t no brakes
I’ma go off
I’ma ride tonight
It don’t matter what we face
I’ma go off
I’ma ride tonight
I;m the master of my fate
I’m go off /4x
I gotta go now!

Taking off and I;m riding on the road now
Hit the das No brakes
Gotta go now
Put my life on the line
Yes, it’s on me
Blood rushing through hmy veins, no IV
Ride
Switch lanses
You can’t stop me
You can smell the propane when you pass me
Ride for the gang because I’m the chief
Helicopter hovering
It’s high speed
Chase, drive, straight
I;mma race to the cake
Flame on ti
No chain
On me
All of us
Because, hommies:

One more ride
One more race
We go all out
We don’t play
One more ride
One more race
We don’t slow down
Ain’t no brakes
I’ma go off
I’ma ride tonight
It don’t matter what we face
I’ma go off
I’ma ride tonight
I;m the master of my fate
I’m go off /4x
I gotta go now!

9-9, 9-9
You’re rocking with ether child in overdrive
Yes, yes, 1-5, 1-9
We go all night
Straight up!
Double 0 speed
Double 0 Chevy
I hit the 4 gear
Hope, I donl;t drift

Souped up cars all around me
Hot-boxing at a high speed
One lane drive
Bad thing beside me
One moree time on the road
It’s lit!
One more time before we go

One more ride
One more race
We go all out
We don’t play
One more ride
One more race
We don’t slow down
Ain’t no brakes
I’ma go off
I’ma ride tonight
It don’t matter what we face
I’ma go off
I’ma ride tonight
I;m the master of my fate
I’m go off /4x
I gotta go now!
