

Eminem, My Name Is (Clean)

Chorus x2

Hi,
my name is (what)
my name is (huh)
my name is [ChikaChika] marshall marthers

Hi,
my name is (what)
my name is (who)
my name is [ChikaChika] Slim Shady

[Eminem]

Excuse me?

Can I have the attention of the class, for one second?

Hi kids, do you like violence(yeah, yeah!)

wanna see me stick nine-inch nails
through each one of my eyelids.(uh-huh!)

Wanna copy me and do exactly like

i did dry 'cid and get messed up

worse than my life is (huh?)

My brain's dead weight I'm tryin

to get my head straight but I

can't figure out which Spice Girl

i wanna impregnate.

And Dr. Dre said (Slim Shady you

a bass head) uh-uh! (then why's

your face red, man youre wasted)

Well since age twelve I felt like

a caged elf who stayed to himself in one space

chasing his tail

Got ticked off and ripped Pamela

Lee's lips off kissed em and said

i didn't know silicone was sposed to be this soft

Im about to pass out and crash

and fall on the grass faster than a

fat man who sat down too fast.

Come here lady (Shady wait a minute

that's my girl dog) I don't give a

damn, God sent me to piss the world

off.

Chorus x2

My English teacher wanted to flunk me in jr. high

Thanks a lot; next semester Ill be 35

I smacked him in his face with an

eraser chased him wit a stapler and

told him to change the grade on the paper

Walked in a strip club, had my

jacket zipped up served the

bartender and and walked out with the

tip cup.

Extra-terrestrial runnin' over pedestrians,

in a space ship while they're screaming at me

(let's just be friends).

Ninety-nine percent of my life I was

lied to. I just found out my mom does

more dope than I do.

I told her I'd grow up to be a famous

rapper make a record about doin drugs

and name it after her.

You know you blew up wit the women

rush your stands and try to touch

your hands like some screamin Usher

fans.

This guy White Castle asked me for

my autograph so I signed it 'Dear

Dave, Thanks for the support *****

Chorus x2

Hi,
my name is (what)
my name is (who)
my name is [*scratch*] Slim Shady

Hi,
my name is (what)
my name is (who)
my name is [*scratch*] Slim Shady

Stop the tape, this kid needs to be
locked away! (Get Him!!)

Dr. Dre don't just stand there,
OPERATE!!!

I'm not ready to leave, it's too
scary to die. I'll rather be carried
inside a cemetery and buried alive.

Am I comin or goin, I can barely
decide I just drank a fifth of Kool-aid,
dare me to drive. (Go ahead)

All my life I was very deprived I
ain't had a woman in years, my palms
are too hairy to hide.

Clothes rip like the Incredible Hulk (riiiip!)
I spit when I talk (ach-poo!), I **** anything
that walks. (come here!)

When I was little I used to get so
hungry I would throw fits (how you
gonna breast feed me mom you ain't
got no tits). WAAAAA!!

I lay awake and strap myself in bed,
with a bulletproof vest on and tap
myself in the head.

And I'm steamin mad (GRRR!), and by the way
when you see my dad, ask him if he bought a porno mag
to see my ass

Chorus
