Little Mix, Always Be Together

Hm, yeah, yeah, hm

Leigh-Anne:
We are friends for life
Hold that deep inside
Let this be your drive
To survive

Jade:
And just stand high and tall
Make sure you give your all
And if you ever fall
Know that I'm right here

All:
We'll always be together
Don't you worry
I'll always be by your side
Don't you worry
The circle will never end
Just know that we'll meet again
And we'll always be together forever always
I am here

Jesy:
Find me in the sky
Dancing with the moon at night
Your heartbeat is disguised as my lullaby

Perrie:
Be happy and know that I'm
Watching you travel far and wide
Waiting for us to meet again

All:
We'll always be together
Don't you worry
I'll always be by your side
Don't you worry
The circle will never end
Just know that we'll meet again
And we'll always be together forever always
I am here

Leigh-Anne:
If you need me yeah
I'm in the wind look for me friend
I'm in the stars

Jade:
When you need me
The heavens will send
A message within

All:
Straight to your heart

Perrie:
Oh oh oh

All:
We'll always be together
Don't you worry
I'll always be by your side

Don't you worry
The circle will never end
Just know that we'll meet again
And we'll always be together forever always
I am here

Leigh-Anne:
I am here
I am here

All:
I am here
