

Eminem, Papa Doc Vs. Shorty Mike

Yo lyrics are shitty
like when I pop a squat
who told you you can fuck
with the mighty Papa Doc
for steppin' on this stage
I shoulda rocked your knot
don't get too close
or you might get shot
Yo nigga call your momma
and tell her come get ya
and if she knew him
she could bring her midget pops with her
I'll put a hole on your head like a .12 guage
lookin' like kriss kross
Jiggity jump yo ass on stage
Cuz Im a grown man son
I'll slaughter you
make ya ma wish that her fat ass aborted you.
