

# Eminem, Purple Hills

[Chorus]

I been so many places  
I seen so many faces  
But nothing compares  
To these blue and yellow purple hills  
Ive climbed the highest mountain  
Once or twice but who's countin'  
But nothing compares  
To these blue and yellow purple hills

[Eminem]

Cool, calm, just like my mom  
With a couple of lawsuits inside her palm  
It's Mr. Mischief with a trick up his sleeve  
To roll up on you like Christopher Reeves  
I can't describe the vibe I get  
When I drive by 6 people  
And 5 I hit  
Ah shhh  
I started a mosh pit  
Squashed a chick  
And lost the foster kids  
This room make me hallucinate  
Then I sweat till I start losing weight  
Till I see dumb shit start happenin'  
Dumber than Vanilla Ice tryin to rap again  
So bounce, bounce, c'mon bounce  
I said c'mon bounce  
Everybody in the house with a half an ounce  
To the women in the thongs wit thier asses out  
We don't bullshit, better ask around  
D12 throws the bombest bash in town  
Bizarre, your mom is crashing out  
Get her on the couch while she passes out

[Kon Artist & Kuniva]

Fuck that, someone help Denaun  
Who's upstairs wrestlin wit elton john  
Hey Von  
You see me steppin' on these leprechauns?  
It's gonna be acid 'cos the X lax is gone  
Yeah I took 'em all down with some parmesian  
And I think my arm is gone  
It's probably numb  
Dumb, dumb, and fulla.....cum  
And I think he 'bout to swallow his tongue  
You scary ass it was false alarm  
You think I'm 'bout to die when I just got off?  
So stop acting stupid  
You so high

That you might wake up with a guy  
On some new.....

I think I did too much  
I think i got the runs  
Roloids, Pepto, And Tums  
Watch out Here it comes

[Chorus]

I been so many places  
I seen so many faces  
But nothing compares  
To these blue and yellow purple hills  
Ive climbed the highest mountain  
Once or twice but who's countin'  
But nothing compares  
To these blue and yellow purple hills

[Eminem]

Dirty Dozen  
80 of us  
Shady brothers  
Ladies love us  
That's why our baby mothers  
Love us but they hate each other  
They probably wanna take each other out  
And date each other  
Some, something, something, something  
I dont know.....  
[Proof]  
Pop pills  
Pills are hot  
Pop two pills  
On stilts I walk  
Snort two lines that were filled with chalk  
Thought I was incredible and killed the hulk  
I wanna, roll away  
Like a rollerblade  
Until my eyes roll back in my skull for days  
And when I'm old and gray  
Look for coke to smoke  
No oki dok  
I pack up my nose with smoke  
\*cough cough cough\*  
Am I supposed to choke?  
Had an accident when the Trojan broke  
Ahh, poor baby  
Born by....lady  
now i gotta pay child support  
(it ur baby)  
[Swift]  
I take four shots at one time  
And I don't need chase when I'm swallowing mine

'Cos our car has flats  
Why the hell you people think I rap?

If you got the cash

(Swift, chill)

I just got some and I'm going back soon  
[Chorus]  
I been so many places

But nothing compares  
To these blue and yellow purple hills  
Ive climbed the highest mountain  
Once or twice but who's countin'  
But nothing compares  
To these blue and yellow purple hills

[Chorus]
