Little Mix, Dark Horse

Jade
(I knew you were)
Leigh-anne
You were gonna come to me
Jade
(And here you are)
Leigh-anne
But you better choose carefully
Jade
(‘Cause I am)
Leigh-anne
capable of anything
Of anything and everything

Jade

Make me your Aphrodite
Make me your one and only
but don’t make me your enemy, your enemy, your enemy

Jesy

So you wanna play with magic?
Boy, you should know what you're falling for
Baby do you dare to do this?
'Cause I’m coming atcha like a dark horse

All
Are you ready for, ready for
A perfect storm, perfect storm
'Cause once you’re mine, once you’re mine
There’s no going back

Jade
(Mark my words)
Jesy
This love will make you levitate
Jade
(Like a bird)
Jesy
Like a bird without a cage
But down to earth
If you choose to walk away, don’t walk away

Perrie

It’s in the palm of your hand now (baby)
It’s a yes or no, no (maybe)
(So just be sure) before you give it all to me
All to me, give it all to me

Perrie

So you wanna play with magic?
Boy, you should know what you're falling for
Baby do you dare to do this?
'Cause I’m coming atcha like a dark horse

All
Are you ready for, ready for
A perfect storm, perfect storm
Cause once you’re mine, once you’re mine
There’s no going back

So you wanna play with magic?
Boy, you should know what you're falling for
Baby do you dare to do this?
'Cause I’m coming atcha like a dark horse
Are you ready for, ready for
A perfect storm, perfect storm
Cause once you’re mine, once you’re mine
There’s no going back
