Little Mix, Don't Stop The Music

Jesy:
It's getting late
I'm making my way over to my favourite place
I gotta get my body moving
Shake the stress away
I wasn't looking for nobody when you looked my way
Possible candidate, yeah
All:
Who knew
Leigh-Anne:
That you'd be up in here looking like you do
You're making staying over here, impossible
Baby, I must say your aura is incredible
If you don't have to go, don't

Jade:
Do you know what you started?
I just came here to party
But now we're rocking on the dance floor, actin' naughty
Perrie:
Your hands around my waist
Just let the music play
We're hand in hand, chest to chest and now we're face to face

All:
I wanna take you away
Let's escape into the music, DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin' to it
Please don't stop the, please don't stop the music

Ma ma say, ma ma sa
Ma ma coo sa
Ma ma say, ma ma sa
Ma ma coo sa (5x)

Baby are you ready cause it's getting close
Don't you feel the passion ready to explode?
What goes on between us no-one has to know
This is a private show

Jade:
Do you know what you started?
I just came here to party
Now we're rocking on the dance floor, actin' naughty
Perrie:
Your hands around my waist
Just let the music play
We're hand in hand, chest to chest and now we're face to face!

All:
I wanna take you away
Let's escape into the music, DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin' to it
Please don't stop the
Please don't stop the
Please don't stop the music.
