Little Mix, End Of Time

[All]
Come take my hand, I won’t let you go
I’ll be your friend, I will love you so deeply
I will be the one to kiss you at night,
I will love you until the end of time

[Jesy]
I’ll be your baby, I promise not to let you go
Love you like crazy, now say you’ll never let me go
[All]
Say you’ll never let me go, say, say you’ll never let me go
Say you’ll never let me go, say, say you’ll never let me go

[Perrie]
Take you away from here,
[All]
There’s nothing between us but space and time
[Perrie]
I’ll be your own little star, let me shine in your world
In your own little universe, make me your girl

[All]
Come take my hand, I won’t let you go
I’ll be your friend, I will love you so deeply
I will be the one to kiss you at night,
I will love you until the end of time

[Jade]
I’ll be your baby, I promise not to let you go
Love you like crazy, now say you’ll never let me go

[All]
Say you’ll never let me go, say, say you’ll never let me go
Say you’ll never let me go, say, say you’ll never let me go

[Leigh-Anne]
