Little Mix, F.U.

[Verse 1]
All damn night I was here waiting
Cooked your favorite, dressed up real nice
I know you were with her, I know that you kissed her
You came home late and I was so mad
Had my break up speech ready
Then you kissed my face
It’s the way you persuade me

[Pre-Chorus]
You’re dirty, disgusting
But I can’t get enough of your loving
Boy, I hate you, really hate you
My mama say I shouldn’t date you
You cheatin’, you lyin’
I know that you’re hiding two cellphones
But boy, right before I say that it’s the end

[Chorus]
You sweet talk me again
I don’t wanna be friends, no
Why am I such a fool when it comes to you
A, B, C, D, E, F.U

[Verse 2]
All my friends say I’m a sucker
Can’t explain, it’s complicated
I wish you were dead until you take me to bed
You’re so good, so good
You little mother
With those brown eyes and that body
I’ll get my revenge, take my key to your benz

[Pre-Chorus]
You’re dirty, disgusting
But I can’t get enough of your loving
Boy, I hate you, really hate you
My mama say I shouldn’t date you
You cheatin’, you lyin’
I know that you’re hiding two cellphones
But boy, right before I say that it’s the end

[Chorus]
You sweet talk me again
I don’t wanna be friends, no
Why am I such a fool when it comes to you
A, B, C, D, E, F.U

[Bridge]
I wanna say “shoo, shoo”
I wanna say “screw you”
I practised my lies in the mirror
Then you smiled, that’s my killer
So I say “love you” and “baby, I need you”
Cause you’re drop dead gorgeous
And cupid ain't coming to warn us

[Pre-Chorus]
You’re dirty, disgusting
But I can’t get enough of your loving
Boy, I hate you, really hate you
My mama say I shouldn’t date you
You cheatin’, you lyin’
I know that you’re hiding two cellphones

But boy, right before I say that it’s the end

[Chorus]
You sweet talk me again
I don’t wanna be friends, no
Why am I such a fool when it comes to you
A, B, C, D, E, F.U
