Little Mix, Hair

Switch it up
Switch it up
Let’s go

I call my girl cause I got a problem
Only a curl is gonna solve it
Then I don't really care, just get out of my hair, yeah
Let’s switch it up
Get it off my shoulder
I've had enough, can't take it no longer
I'm over him I swear, I'm like yeah

Gotta get him out my hair /4x

Cause he was just a dick and I knew it
Got me going mad sitting this chair
Like I don't care
Gotta get him out my hair
I tried everything but it's useless
He pushed me so far now I'm on the edge
Make him disappear
Go get him out my hair

Gonna bit your mouth
Pour ice right on it
Here on the floor
Like moving moving moving
Now I feel brand new
This chick is over you
We’re going now
Ain't got no worries
Drama now
Now you just look so funny
Got my hands up in the air
I’m like yeah

Gotta get him out my hair /4x

Cause he was just a dick and I knew it
Got me going mad sitting this chair
Like I don't care
Gotta get him out my hair
I tried everything but it's useless
He pushed me so far now I'm on the edge
Make him disappear
Go get him out my hair

Switch it up /4x

Friends you need to get your phone, erase that number
Don't call him back cause he don't deserve it
And when you see him in the club
Just flip your hair, don't show him any love
Cause you've had enough

Cause he was just a dick and I knew it
Got me going mad sitting this chair
Like I don't care
Gotta get him out my hair
I tried everything but it's useless
He pushed me so far now I'm on the edge
Make him disappear
Go get him out my hair
