

Eminem, Soldier (The Goat Remix 1st Verse)

Never Had A Dog Just Infatuated With Goats
Was A Virgin Till I Stuffed My Cock In One Of Their Throats
But Billy Goat Had A Thang
For Sucking My Wang
And I Could Hold On To His Horns
When I Decided To Bang Him
I Tried To Threesome Once With Sheep
But Their Holes Were Not Deep
Lambchop Was Too F**kin Shallow So I Said
"Bitch Cant You See You're not The One For Me
And It's True That I Will Never Love You"
And I Feel It's Part Of My Obligation To Fulfill
The Fantasies Of A Goat And To Make His Dreams Come Real
No Hesitation Ain't No Problem For Me To Get Laid
And I Feel Safe F**king Goats Because I Know I Wont Get AIDS
If You Can Catch It-Screw It
If It Feels Good Do It
Being Fashionable Will Leave It Full Of Jizz
So Make Him Suck Until You're Empty
If You Tempt Me I'll Push Goat Pussy
And I'll Give That Lil Goat Pecker A Good Squeeze
