

Eminem, Stephanie

The other day this bitch came up to me
Said her name was Stephanie
She was there with her friends, Vanessa, Kayla, and Katie
They all had long blonde hair
Right down to their butts
With their tits hanging out
I could tell they were sluts
They asked me, "Eminem, can we suck your dick?"
When I said, "Fuck no"
They said, "Fuck you prick!"
You're the lil whore
You mother fucking bitch
Wait hold on a second
While my balls itch.....
