

Eminem, Stimulate (Soundtrack 8 Mile)

Psst..

Hey, Listen

I love my job

It makes me feel like... superman

Can you fly?

I can

Wanna see?

I'm only entertaining you why

Goal's to stimulate making you high

And take you and I, to a place that you can't see

But I believe you can fly

I don't mean nobody harm I'm just partying

I'm not your dad, not your mom, not your gaurdian

Just a man whos on the mic, so let me... entertain you

My lyrical content is constantly under fire

No wonder why I constantly bomb back

To combat attacks with constant concepts

From lyrics constantly took out of context

Failure to communicate with congresses

Been a problem for the longest I guess but

Maybe one day we can make some progress

Food for thought see how long it takes to digest

Feeling good when I should be ashamed

Shit, I really should've fell but I stood

See I came like a flame in the night

Like a ghost in the dark, there's a ray, there's a light

There's a hope there's a spark

But when planets collide, they'll never see eye to eye

Until they decide to set the differences aside

And this is why only one of us will survive

So children, follow my lead and feel the vibe because

I'm only entertaining you why

Goal's to stimulate making you high

And take you and I, to a place that you can't see

But I believe you can fly

I don't mean nobody harm I'm just partying

I'm not your dad, not your mom, not your gaurdian

Just a man whos on the mic, so let me... entertain you

My music can be slightly amusing

You shouldn't take lyrics so serious

It might be confusing

Trying to seperate the truth from entertainment

It's stupid ain't it?

I get sick of trying to explain it

See I can sit and argue with you but it goes beyond

Just being a snot, pointy nosed, bleached blonde

Cuz' I came here to uplift let your woes be gone

Tell em' to get fucked and just mosey on

Constantly movin' constantly using the constitution

As a form of restitution

Bless the children, nothing less than brilliant

Let me entertain you like Robbie Williams

I'll be here when y'all are gone re-building

World revolving, still evolving, still Slim

How many kids will copy?

Probably millions

But Im'a do this as a fuckin' hobby till then...

I'm only entertaining you why

Goal's to stimulate making you high

And take you and I, to a place that you can't see

But I believe you can fly

I don't mean nobody harm I'm just partying

I'm not your dad, not your mom, not your guardian

Just a man who's on the mic, so let me... entertain you

My lyrical content contains subject matter
That sucks up all these fucked up young kids
At an alarmin rate common denominate
Add it up and you'll see thats why I dominate
I try to stimulate but kids emulate
And mimick ever move you make
"Slim you're great"
But wait, can't you see im only here to entertain?
I gotta be the one to go against the grain
Cuz man, I see it, feel it, live it
But its inhumane for me to see you be influenced
And pretend you ain't
But they don't understand that i've been through pain
If you get to know me I can be a friend you gain
But you can't just stand there and try to judge
It hurts but your jealousy probably tears you up inside as much
And its such a pleasure every button that I touch
I treasure every glutton that I punish in my lust
But i'm
I'm only entertaining you why
Goal's to stimulate making you high
And take you and I, to a place that you can't see
But I believe you can fly
I don't mean nobody harm I'm just partying
I'm not your dad, not your mom, not your guardian
Just a man whos on the mic, so let me... entertain you
