Little Mix, Move

[Jade]
Hey baby tell me your name
I got a fever for ya I just can’t explain
But there’s just one problem I’m a bit old school
When it comes to lovin' I ain't chasin' you.
Hate waitin' I'm on a roll
You've got to let yourself go.

[Perrie]
Oh, [talk to me] you know that I’ve been waiting for you
[and I noticed you too]
Don’t leave me standing all by my self
[I won't leave you standing all alone]
'Cause I ain’t looking at no one else

[Jesy]
Hey get your back off the wall
Don’t you get comfortable?
Looking so hot I think that I might fall
Feeling like it's my birthday like Christmas Day came early
Just what I want so when we move, you move

[All]
Get your back off the wall
Don’t you get comfortable?
Looking so hot I think that I might fall
Feeling like it's my birthday like Christmas Day came early
Just what I want so when we move, you move

[Leigh-Anne]
Oh silly, why you afraid
Don’t be a big baby quit playing games
Put your arms around me you know what to do
And we can take it down low

[Perrie]
Oh, you know that I’ve been waiting for you
Don’t leave me standing all by myself
'Cause I ain’t lookin’ at no one else

[All]
Get your back off the wall
Don’t you get comfortable?
Looking so hot I think that I might fall
Feeling like it's my birthday like Christmas Day came early
Just what I want so when we move, you move
Get your back off the wall
Don’t you get comfortable?
Looking so hot I think that I might fall
Feeling like it's my birthday like Christmas Day came early
Just what I want so when we move, you move

[Leigh-Anne]
I know that you wanna but you can’t
'Cause you gotta stay cool in the corner
When the truth is that you wanna move

[All]
So move

[All]
I know that you wanna but you can’t
'Cause you gotta stay cool in the corner

When the truth is that you wanna move

[All]
So move

[Perrie]
Move it baby oh! you know that I've been waitin' for you
Don't leave me standing all by myself
'Cause I ain't looking at no one else
Looking at no one else, looking at no one else

[All]
Hey, hey I'm ready!
Hey, boy come and get me!
Don't be scared show me what you do
Don't you know a girl like a boy who moves?
Hey, hey I'm ready!
Hey, boy come and get me!
Don't be scared show me what you do
Don't you know a girl like a boy who moves?

Hey! Get your back off the wall
Don't you get comfortable!
Looking so hot I think that I might fall
Feeling like it's my birthday like Christmas Day came early
Just what I want so when we move, you move

Don't be scared show me what you do
Don't you know a girl like a boy who moves?
