Little Mix, Oops (ft. Charlie Puth)

[Perrie:]
Oops my baby, you woke up in my bed
Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you

[Jesy:]
It started with "what's up with you?"
I messed around and got caught up with you
Yeah, yeah, I don't know what to do
I've got these feelings like it's nothing new
Now I can't get enough of you oh

[Leigh-Anne:]
And when I think about the way you touch my body
I don't know how long I can wait
And when I think about the way you touch my body
This could be my greatest mistake
You've got me singing

[All:]
Oops my baby, you woke up in my bed
Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you

[Charlie Puth:]
We had a good run
We messed around and had some good fun
Guess it turns out I lost a good one
'Cause now I'm wishing every morning would come
With you next to me, baby

And when I think about the way you touch my body
This could be my greatest mistake
You've got me singing

[All:]
Oops my baby, you woke up in my bed
Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you

[Perrie:]
Now I accidentally know that
you're in love with me too
Oops baby I love you

[Jade & Charlie Puth:]
If it was up to me
I would take a time machine to the day I said goodbye (I lie, oh, I lie)
So, can we try again?
We're official more that friends
No, don't you tell me goodbye
You've got me singing

[All:]
Oops my baby, you woke up in my bed
Oops we broke up, we're better off as friends
Now I accidentally need you, I don't know what to do
Oops baby I love you

[Perrie:]
I love, I love, I love you

[Charlie Puth:]
Oh yes, I love you, yeah

[Jade:]
Now I accidentally know that you're in love with me too
Oops baby I love you
