Little Mix, Pretend It's OK

[Jade] :
What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK

[Perrie] :
I remember the day when we were out all night

[Jade] :
I wish that I could the day back and tell you it's alright

[Leigh-Anne] :
'Cause we all do the same thing, we just don't realise

[Jade] :
That we're living on borrowed time

[All]
What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK

[Leigh-Anne] :
I see the light that I'm chasing

[Perrie] :
A memory, but it's fading

[Jade] :
N' when it's gone I'll be waiting

[Jesy] :
Know when it's too late (know when it's too late)

[Leigh-Anne] :
You chose the road that I'm walking

[Perrie] :
Now it's a soul that I'm caught in

[Leigh-Anne] :
And you're not hearing when I'm calling,
calling your name.

[Perrie] :
One breath, one step, one life, one heart
Two words, two eyes, new begining new start

[All] :
Too neat, too narrow, too short, too wide,
I'm better with you here by my side

[All] :
What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK

[Jesy] :
Nothing here, no one talking, knowing it's too late
But sometimes it can get so hard pretending it's OK

[Jesy & Jade] :
Nothing here, no one talking, nothings gonna change
But sometimes it can get so hard

[Perrie] :
Pretending it's OK

[All] :
What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK

[Jade] :
What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK

Oh yeah
What would you do? What would you say?
Pretend it's OK
What would you do? What would you say?
