[All]
Ref.: In your heart I found mine
Fill me with your life
Oh u make it hot on your red planet
Turn it up on your red planet

[Jesy]
1)I-I-I-I-I felt my love was bittersweet
Broken into pieces but now back on my feet
Thanking you for letting me into your galaxy
Bump-brrrrrrrrrrrrr-rump-bump
My heart beats
For you and I to explore things
The way you make me feel like I can never explain
Ya make me make me make me make me feel
That your love is real yeah

[All]
Ref.: In your heart I found mine
Fill me with your life
Oh you make it hot on your red planet
Turn it up on your red planet
Your eyes are see truth
I'm so connected to you
Can I make a stop on your red planet?
Turn it up on your red planet
[Leigh-Anne]
Blow me out of this world tonight
Show me I'm your girl tonight
Give me all your love tonight
Red red planet (x2)

[T-Boz]
2) See I knew I knew I knew your love was truth
I see the stars the sun and the moon when I'm with you
(Loving you loving you)
Well it won't leave me alone
It's like a ghost hunting me down
To my bones
[Jade]
Never knew my comfort zone could be so sweet
Me loving you and you and me
And now that's twice as deep
[T-Boz]
That's what I love about us two
[Both]
'Cause I see me and you yeah

[All]
