Little Mix, Stereo Soldier

[Jade]
1)Boy step a little closer
'Cause I don't think you've heard these words before (Yeah)
Lay me left and rock me right, baby lift me up so high
Take me to another world(Y-Yeah)

[Perrie & Jesy]
'Cause no one else will do
Don't wanna be by myself
I wanna be dancing with you

[All]
Ref.: 'Cause you're my stereo, stereo, stereo soldier
Oh oh, oh oh
My stereo, stereo, stereo soldier
Oh oh, oh oh

All I need is the beat in my feet let me lose control ooooh
Give me loud, give me now, take my heart
Baby take my soul
Left, right, left

[Leigh]
2)Run the beat and blow my speakers
And make feel me like I'm the only girl (Yeah)
The way we move is so in time
On the real, got the skills to blow my mind
They don't make 'em like you no more(Y-Yeah)

[Perrie & Jesy]
I'm in heaven now, so in love
Lay your weapons down, and turn it up
Ah, ah, ah, who

Baby take my soul
Left, right, left

[Jesy]
Can you save me
Can you set me free
'Cause I need to feel alive
Oh we have to survive

[Perrie]
'Cause you changed me
Now I believe
And I need to feel alive
Oh we have to survive
