Little Mix, Want To Want Me/Dance With Somebo

[Jesy]
It's too hard to sleep

[Jade]
I got the sheets on the floor
There's nothing on me

[Perrie]
And I can't take it no more
it's a hundred degrees

[Leigh Anne & Jade]
I got one foot out the door
'Cause I gotta leave

[All]
In the back of the cab

[Leigh Anne]
I tip the driver, head of time

[All]
Get me there fast

[Jesy]
I got your body on my mind

[All]
I want it bad

[Jade]
Ooh, just the thought of you gets me so high, so high

[All]
Oh you're the one
I want to want me
And if you want me
Oh, you got me
There's nothing I know I wouldn't do, I wouldn't do
Just to get up next you

[All]
Oh you're the one
I want to want me
And if you want me
Oh, you got me
There's nothing I know I wouldn't do, I wouldn't do

[Jade]
Just to get up next you

[Jesy & Jade]
Clock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away

[Perrie & Leigh Anne]
I need a man who'll take a chance
On a love that burns hot enough to last
When the night falls

[Perrie]
My lonely heart calls

[All]
Oh you're the one (Oh I wanna dance with somebody)
I want to want me
And if you want me (I wanna feel the heat with somebody)
Oh, you got me (Yeah I wanna dance with somebody)
There's nothing I know I wouldn't do, I wouldn't do
Just to get up next you

Oh you're the one (Oh I wanna dance with somebody)
I want to want me
And if you want me (I wanna feel the heat with somebody)
Oh, you got me (Yeah I wanna dance with somebody)
There's nothing I know I wouldn't do, I wouldn't do
Just to get up next you

Oh you're the one (Oh I wanna dance with somebody)
I want to want me
And if you want me (I wanna feel the heat with somebody)
Oh, you got me (Yeah I wanna dance with somebody)
There's nothing I know I wouldn't do (With somebody who loves me)

I wanna rock with somebody
I wanna take shots with somebody
Shots, shots shots!
I wanna live with somebody
With somebody who loves me
