

# Eminem, Without Me (Unedited)

[Obie Trice]

"Obie Trice, Real Name No Gimmicks..."

[Eminem]

Two trailer park girls go round the outside,  
round the outside, round the outside.

Two trailer park girls go round the outside,  
round the outside, round the outside.

[Female Voice]

"Oooooohhhh!"

[Eminem]

Guess who's back, back again

Shady's back, tell a friend

Guess who's back, guess who's back,

guess who's back, guess who's back,

guess who's back, guess who's back,

guess who's back...

I've created a monster, cuz nobody wants to

See Marshall no more they want Shady

I'm chopped liver

Well if you want Shady, this is what I'll give ya

A little bit of weed mixed with some hard liquor

Some vodka that will jumpstart my heart quicker

Then a shock when I get shocked at the hospital

By the Dr. when I'm not cooperating

When I'm rocking the table while he's operating "Hey"

You waited this long to stop debating

Cuz I'm back, I'm on the rag and ovulating

I know that you got a job Ms. Cheney

But your husbands heart problem is complicated

So the FCC won't let me be

Or let me be me so let me see

They tried to shut me down on MTV

But it feels so empty without me

So, come on dip, bum on your lips

Fuck that cum on your lips and some on your tits

And get ready cuz this shit's about to get heavy

I just settled all my lawsuits, "Fuck you Debbie!"

Now this looks a job for me..

So everybody just follow me..

Cuz we need a little controversy..

Cuz it feels so empty without me ..

I said this looks like a job for me..

So everybody just follow me..

Cuz we need a little controversy..

Cuz it feels so empty without me..

Little hellions, kids feeling rebellious

Embarrassed, their parents still listen to Elvis

They start feeling like prison is helpless,

Til someone comes along on a mission and yells "bitch"

A visionary, vision is scary, could start a revolution,

Pollutin' the air waves a rebel

So let me just revel and bask,

In the fact that I got everyone kissing my ass

And it's a disaster such a catastrophe

For you to see so damn much of my ass you ask for me?

Well I'm back fix your bent antenna

Tune it in and then I'm gonna enter

Into the front of your skin like a splinter

The center of attention back for the winter

I'm interesting, the best thing since wrestling

Infesting in your kids ears and nesting

Testing "Attention Please"

Feel the tension soon as someone mentions me

Here's my 10 cents my 2 cents is free

A nuisance, who sent, you sent for me?  
Now this looks like a job for me..  
So everybody just follow me..  
Cuz we need a little controversy..  
Cuz it feels so empty without me..  
I said this looks like a job for me..  
So everybody just follow me..  
Cuz we need a little controversy..  
Cuz it feels so empty without me..  
A task-it a task-it,  
I go tit for tat with anybody who's talking this shit that shit  
Chris Kirkpatrick, you can get your ass kicked  
Worse than them little Limp Bizkit bastards,  
And Moby, you can get stomped by Obie,  
You 36 year old bald headed fag blow me  
You don't know me, you're too old  
Let go, it's over, nobody listens to techno  
Now lets go, just give me the signal  
I will be there with a whole list full of new insults  
I've been dope, suspenseful with a pencil  
Ever since Prince turned himself into a symbol  
But sometimes the shit just seems,  
Everybody only wants to discuss me  
So this must mean I'm dis-gus-ting,  
But its just me I'm just obscene  
Though I'm not the first king of controversy  
I am the worst thing since Elvis Presley,  
To do Black Music so selfishly  
And use it to get myself wealthy (Hey)  
There's a concept that works  
20 million other white rappers emerge  
But no matter how many fish in the sea  
It'll be so empty without me  
Now this looks like a job for me  
So everybody just follow me  
Cuz we need a little controversy,  
Cuz it feels so empty without me  
I said this looks like a job for me..  
So everybody just follow me..  
Cuz we need a little controversy..  
Cuz it feels so empty without me..  
Hum de la la la la la la la la la la la la la la la la  
Hum de la la la la la la la la la la la la la la la la  
&quot;Kids!&quot;
