Europa (Jax Jones & Martin Solveig), All Day and

you walked away
you left me out here on the floor
you didn't care
you're still the one that I adore
you gave me something like nobody did before

if I close my eyes, all I see
is you standing there in front of me
you're on my mind constantly
no I can't get no sleep

all day and night you keep me up
non stop, I'm so done
I'm giving you more than enough
all my love, I'm so done

I blame myself
I broke my own heart loving you
you cut me iup now
I'm bleeding from the truth
you left me helpless
now I don't know what to do

if I close my eyes, all I see
is you standing there in front of me
you're on my mind constantly
no I can't get no sleep

all day and night you keep me up
non stop, I'm so done
I'm giving you more than enough
all my love, I'm so done

no sleep /2x
I think about you night and day
now I can't get no
no sleep /2x
I think about you night and day
now I can't get no

all day and night you keep me up
non stop, I'm so done
I'm giving you more than enough
all my love, I'm so done

all day and night you keep me up
non stop, I'm so done
I'm giving you more than enough
all my love, I'm so done

all day and night you keep me up
non stop, I'm so done
I'm giving you more than enough
all my love, I'm so done
