LSD (Sia, Labrinth & Diplo), Thunderclouds

all i need is one
one old man is enough
babe, you got it wrong
please turn your fears into trust, trust

where's the love go
when all is said and done

hey now I got your hands in the air
I'mma go through your stuff

where's the love go
you put the running into run

you asking me to stay
but I never met a girl I could trust

you're sayin' those words
like you hate me now
our house is burning
when you're raised in hell

here in the ashes your soul cries out
but don't be afraid of these thunderclouds

the thunderclouds
the thunderclouds

all I need is love
all I need is a word
all I need is us
you turn nouns into verbs, to verbs

where's the love go
when all is said and done

hey now I got your hands in the air
I'mma go through your stuff

where's the love go
you put the running into run

you asking me to stay
but I never met a girl I could trust

you're sayin' those words
like you hate me now
our house is burning
when you're raised in hell

here in the ashes your soul cries out
but don't be afraid of these thunderclouds

the thunderclouds
the thunderclouds
