

French Montana, No Stylist (ft. Drake)

I'm in London
got my beat from London

iced out (stylist)
no stylist (stylist)
New Chanel, Saint Laurent
Gucci bag
Lifestyle (stylist)
no stylist (stylist)
Louis Vuitton, Jummy Choos
that's on you

diamonds on my neck, frozen tears
hopin' out the jet, lears
bad bitches getting' wet, here
don't call me till the checks clear

louder
fuck they talin' about
Fast talk
running lips
I;m not playing that shit
French Vanilla, sippin' on
Lear jets pick up
Hong Kong, Morocco, I'm here

no stylist
and I ain't playin' with these bitches
they childish
look around, they quiet
she said I ain't got no heart bitch, find it

iced out (stylist)
no stylist (stylist)
New Chanel, Saint Laurent
Gucci bag
Lifestyle (stylist)
no stylist (stylist)
Louis Vuitton, Jummy Choos
that's on you

diamonds on my neck, frozen tears
hopin' out the jet, lears
bad bitches getting' wet, here
don't call me till the checks clear

louder
I got the game in a squeeze
who disagree?
I wanna see one of y'all run up a B
two open seats
we flyin' at seven and packed for the beach

yeah, keepin' it G
I told her
Don't wear no 350s round me
iced out, no stylist
no Chanel, Nike track doin'
read with some waps
and that's Capo in the back
and that's swole in the back

don't need Gucci on my back
TV Gucci got my back

don't know where y'all niggas at
I've been here, I've been back
on Delilah's word to Zack
I need action, that's a fact

iced out (stylist)
no stylist (stylist)
New Chanel, Saint Laurent
Gucci bag
Lifestyle (stylist)
no stylist (stylist)
Louis Vuitton, Jummy Choos
that's on you

diamonds on my neck, frozen tears
hopin' out the jet, lears
bad bitches getting' wet, here
don't call me till the checks clear
