

# G-Eazy, Down (ft. Mulatto)

put up with my shit  
need a chick who  
need a chick who  
need a chick who  
look better hen her pics  
I don't wanna call you bitch  
But if you gon' be my bitch  
Then you gotta hold it down  
Down, down, down, down  
Down, down, down, down  
then you gotta hold it down

Honey whit me even when i ain't around  
You wanna be the queen  
You wanna wear the crown  
You wanna that new  
Wanna slide around the town  
Well you gotta hold it down  
Down, down, down, down  
Down, down, down, down

Even when it's bad  
Can't be out here giving out my pussy cause you mad  
You should hold it down  
I shouldn't have to ask  
Cause if you a ten but you bop then you have  
Baby do the math  
Loyal bitches get crypto  
All you other bitches get left cause  
They don't give a shit  
They just want some dick through  
Know the floor squeak
