Major Lazer, Can’t Take It From Me (feat. Skip Ma

if someone made you believe
you’ve reached all you can be
so much that you can’t see that I see
you can’t take the light form the sun
you can’t take the waves from the ocean
you can’t take the love out of me

No matter what they do
No matter what they say
No matter that they try
No matter that they way
no matter what they do

No matter what they do
Can’t Take It From Me
No matter what they say
Can’t Take It From Me
No matter the they try
Can’t Take It From Me
No matter that they ...
Can’t Take It From Me

caan’t take it form me
no no no
come and and
you takre it from me

if another heart was in need
would you help them to their feet
ot would you watch them bleed wile you bleed

if someone made you believe
you’ve reached all you can be
so much that you can’t see that I see
you can’t take the light form the sun
you can’t take the waves from the ocean
you can’t take the love out of me

No matter what they do
No matter what they say
No matter that they try
No matter that they way
no matter what they do

No matter what they do
Can’t Take It From Me
No matter what they say
Can’t Take It From Me
No matter the they try
Can’t Take It From Me
No matter that they ...
Can’t Take It From Me
