

Galantis, Mama Look At Me Now

when I was younger no one could ever tell me how to live
my life

I started troubled that's what young kids do
yes, I was young, alright
my teacher said I'd be a failure
they call my mama just to tell her

your son is troubled
there's no doubt he's never gonna leave this town
well mama look at me now
catch my waving from the sky in a brand new g-5

mama look at me now
they said that kid was on slide
but he's doing alright
mama look at me now
mama look at me now
mama look at me now
mama look at me now
mama look at me now

when I was younger no one evr could tell me how to live my life
I told my mama not to worry
cuz she worry about my world onside
they gave me pills to make me better

they call my mama just to tell her
your son is troubled
good for nothing,
he's never gonna leave this town

well mama look at me now
catch my waving from the sky in a brand new g-5

mama look at me now
they said that kid was on slide
but he's doing alright
mama look at me now
mama look at me now
mama look at me now
mama look at me now
mama look at me now
