Major Lazer & Rudimental, Let Me Live (feat. Ann

as I walk through the water
so many things I see
and then I say to myself:
it’s never right song

cause I am the one
I rule my World
nobody rule my destiny
cause you are the one
you rule tour World
no bad man won your destiny

leave me alone
let me live my life
leave me alone
let me live it up,. live it up
leave me alone
I could live my life
leave me alone
I could live it up,. live it up

are we losing control
or is it mean to be
now I’ve open my mind
come on set me free

cause I am the one
I rule my World
nobody rule my destiny
cause you are the one
you rule tour World
no bad man won your destiny

leave me alone
let me live my life
leave me alone
let me live it up,. live it up
leave me alone
I could live my life
leave me alone
I could live it up,. live it up
