Major Lazer, Titans (feat. Sia & Labrinth)

I drop it like its hot
Into this party
Hey /3x
I pop another bottle
And turn up baby

I am only one fight down
So give me one more round

We are the Titans
We can’t stop fighting
We’re only one night down
We are the Titans
We are all nighting
We’re only one night down
Gonna turn this night around

Gonna turn
Gonna turn
Gonna turn around*
