

Galantis, WE ARE BORN TO PLAY (ft. Charli XCX)

I wanna burn like fire tonight
I feel my heart beat and jumping twice
feel like red balloons
and I could stay right here for life

this place must be right
days and nights caught by the feeling
love the right
now I am believer
live a life
whit super kind of feeling
jump above the right tonight

Oooooe
WE ARE BORN TO PLAY
Oooooe
Baby, WE ARE BORN TO PLAY

this place must be right
days and nights caught by the feeling
love the right
now I am believer
live a life
whit super kind of feeling
jump above the right tonight

Oooooe
WE ARE BORN TO PLAY
Oooooe
Baby, WE ARE BORN TO PLAY

like a superstar
here we go!

Oooooe
Baby, WE ARE BORN TO PLAY
