Mandee, Superstar (ft. Maria Mathea)

People always talk about
All the things they're all about
Write it on a piece of paper
Got a feeling
I'll see you later

There's something about this
Let's keep it moving
And if it's good just het something cooking

Cause I really wanna rock with you
rock with you
I'm feelin some connection
To the things you do

I don't know why it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
Cause you got all eyes on
You no matter where you are
I don't know why it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar

Baby take a look around
Everybody's getting down
Deal with all the problems later
Bad boys on their bad behavior

There's something about this
Let's keep it moving
And if it's good just het something cooking

Cause I really wanna rock with you
rock with you
I'm feelin some connection
To the things you do

I don't know why it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
Cause you got all eyes on
You no matter where you are
I don't know why it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
