

George Ezra, Paradise

my love
my lover
I'm in paradise whenever I'm with you
my mind
well it's a paradise whenever I'm with you
Rid eon
I will ride on down the road
I will find you
I will hold you
I will be there

It's long
how long
it's a mighty long road but
I will find you
I will hold you
I will be there

I know you heard it from those other boys
but there's time between
it's something that I feel and
I know you heard it from those other boys
but there's time between
it's something that I feel and

if I feels like paradise running through your body veins
you know it's love heading your way
/2x

my time
well it's a never ending helter skelter
we'll be out whatever the way
my heart
my boom-boom heart
it's a brat and it's a thumbing
and I'm alive

I know you heard it from those other boys
but there's time between
it's something that I feel and
I know you heard it from those other boys
but there's time between
it's something that I feel and

if I feels like paradise running through your body veins
you know it's love heading your way
/2x

paradise hold on, hold on
meet me there
hold on, hold on
/5x

if I feels like paradise running through your body veins
you know it's love heading your way
/2x

I know you heard it from those other boys
but there's time between
it's something that I feel and
I know you heard it from those other boys
but there's time between
it's something that I feel and

if I feels like paradise running through your body veins
you know it's love heading your way
/2x
