Wake up Angelita, your mama just turned off the light
Manolo is already waiting by the old water-pipe
Her shoes in one hand she carefully walks down the stairs
Holding her breath 'cause there's danger and love in the air.

Your papa will beat him if he ever finds out
Begging the Virgin won't help when you hear Manolito shout,
Manolito shout
He's already standing under the starlit sky
You run to his arms and you laugh and you cry as he holds you tight

He says he'll be leaving you soon still you beg him to stay
But he wants to make it somewhere in the U.S.A.
And though he'll be far he promises he'll write every day
When time will be right, he'll come back and he'll take you away
