Mariah Carey, I Don't (ft. YG)

Said me another lie
Whisper in moment in time
Given you everything that you needed
I was even down to repeated

Said, that you always be mine
I mean nothing but lies
I was so … - I admit it
Having this though for a minute

But I'm tired crying
No more tears
…
All that
Given you what's mine was he
I was cought up
I was ...
You play with my smile

Coz if you love someone
You just don't treat them that

All the things are coming back
But I don't
