and nobody's gonna want you, like I do
nobody's gonna love you
and nobody's gonna want you, like I do
nobody's gonna love you

and I was made for you, and you for me?
and what if we just made this work?

and nobody's gonna want you, like I do
nobody's gonna love you
and nobody's gonna want you, like I do
nobody's gonna love you
and nobody's gonna want you, like I do
nobody's gonna love you
nobody's
