Marilyn Manson, SAY10

Devil’s got a cut
like a slit in a cattle calf
dollar sign sneaks
I’m all un the damned
Godless, fearless of the flood
or the blood of the coming spring

something is shedding its scales
crying form the heat of the light
or the empty shell on the stage
and cash is a poor man’s money
cash is a poor men’s money

you say god
and I say SAY10
you say god
and I say SAY10
say, say SAY10

open your mouth, love
like a gutted church
my goat horns are napalm trees
and a crown of thorns is hard swallow

you should pray now
is it above or is it below
you should pry NOW
is it above or is it below

you say god
and I say SAY10
you say god
and I say SAY10
say, say SAY10
you say god
and I say SAY10
you say god
and I say SAY10
say, say SAY10

COCAINE AND Abel
I’m no baptized whore I’m a legend
I’m not a fable
COCAINE AND Abel
I’m no baptized whore I’m a legend
I’m not a fable
COCAINE AND Abel

and I say SAY10
