Maroon 5, Memories

here’s to the ones that we got
cheers to the wish you were here
but you’re not
cause the drink bring back all the memories of everything we’ve been through
toast to ones here today
toast to the ones that we lost on the way
cause the drink bring back all the memories
and the memories bring back memories
bring back your

there’s time when I remember I did not know no pain
when I believe in forever , everything would stay the same
now my heart feel like December, when somebody say your name
cause I can reach out to call you, but I know I will one day

everybody hurts sometimes
everybody hurt someday
everything gon’ be alright
go and raise a glass and say, say

here’s to the ones that we got
cheers to the wish you were here
but you’re not
cause the drink bring back all the memories of everything we’ve been through
toast to ones here today
toast to the ones that we lost on the way
cause the drink bring back all the memories
and the memories bring back memories
bring back your

memories bring back memories
bring back your

there’s a time that I remember when I never felt so lost
when I felt like all of the hatred
was too powerful to stop
now my heart feel like November, and it’s lightening up the dark
I read these stories for ya
and you know I never drop

everybody hurts sometimes
everybody hurt someday
everything gon’ be alright
go and raise a glass and say, say

here’s to the ones that we got
cheers to the wish you were here
but you’re not
cause the drink bring back all the memories of everything we’ve been through
toast to ones here today
toast to the ones that we lost on the way
cause the drink bring back all the memories
and the memories bring back memories
bring back your

memories bring back
memories bring back you
memories bring back
memories bring back you
memories bring back
memories bring back you
