Marshmello & Amr Diab, Bayen Habeit (In Love)

when i am with you
i am not bothered by anyone
I don’t care about anyone else
there’s a great difference in how I feel

when i am with you
I se you the most beautiful of them all
that’s the truth
and nothing can change this

seems like I am In love
yeah, I am in love
I am in love with the world that smiles back at me just
cause i am with you
seems like I am In love
yeah, I am in love
and the happiness in your eyes
is what compels me to admit it
