

Gromee, Talk to Me (ft. CATALI)

Wake up in my bed
My body
All romance
Oh baby
Need have you with me
Need have you with me
My body
My body

I will love you to the bones
You will never be alone
Baby Talk to Me
baby talk
No one get into my head
Let the part of your breath
Baby Talk to Me
baby talk

I wanna go, go, go , go , go, go
But then my vive goes like no, no, no, no!
i need to feel you baby
I wanna go, go, go , go , go, go
But then my vive goes like no, no, no, no!
i need to touch you baby

Baby Talk to Me
baby talk
Baby Talk to Me
baby talk
Baby Talk to Me
baby talk
Baby Talk to Me
baby talk

Hang on Your voice
Oh, call me
To hang up on my void
Oh boy
Need to have you with me
Need to have you with me
Don't balckourt form my background

I will love you to the bones
You will never be alone
Baby Talk to Me
baby talk
No one get into my head
Let the part of your breath
Baby Talk to Me
baby talk

I wanna go, go, go , go , go, go
But then my vive goes like no, no, no, no!
i need to feel you baby
I wanna go, go, go , go , go, go
But then my vive goes like no, no, no, no!
i need to touch you baby

Baby Talk to Me
