Marshmello, Kane Brown, One Thing Right

I’ve cheated and I’ve lied
I’ve broke down and I’ve cried
I’ve got nothing to hide no more
i’ve loved and I’ve hurt
broken people down with words
more grace than I deserved, for sure

know to be crazy
know to be wild
mama had to suffer a little devilish child
ain;t no stronger to the troubles at my door

I’ve been at the wrong place
at the wrong time
chasing all the wrong things most of my life
been every kinda lost that you can’t find
but I got one thing right
been the kind of guy girl’s mamas don’t like
running with the wrong crowd on the wrong nights
cause I’ve been wrong about a million times
but I got one thing right, you

baby, I got one thing right,
mmm
baby I got one thing right,
yes, I got you
baby I got one thing right,
I got one thing right,

you saw right through my pain
kept up patient while I changed
never ever crossed your mind to walk away
to walk away
when I was getting crazy
reckless, and wld
acting like my mama’s little devilish child
It took a heart like yours to find it’s place
first its place

I’ve been at the wrong place
at the wrong time
chasing all the wrong things most of my life
been every kinda lost that you can’t find
but I got one thing right
been the kind of guy girl’s mamas don’t like
running with the wrong crowd on the wrong nights
cause I’ve been wrong about a million times
but I got one thing right, you

baby, I got one thing right,
mmm
baby I got one thing right,
yes, I got you
baby I got one thing right,
I got one thing right,
