Marshmello & Logic, EVERYDAY

I work hard every motherfucking day
I work hard, I work hard every day
But today is my day, it’s my day
And no matter what they say, it’s my day

roll up to the spot
feeling real good
think you gon talk sjhit
you better not
my homies real hood
they say Logic, why you do that?
I don’t know /2x
Now they know my name whatever I go
Used to think that;s I wanted
but now I just don’t know
No I can’t fuck with that
nook if you backing bad
I been working but I in;t get nothing back
They me the daily now
hold up
wait really now
All of the shit you been talking just silly now

Just as quick as you rise
just as quick as you could fall
on no no no
I can’t fuck with that at all
can’t fuck with that at all

I work hard every motherfucking day
I work hard, I work hard every day
But today is my day, it’s my day
And no matter what they say, it’s my day

all she ever wanted was attention
and a bunch of other shit o shpuldn;t mention
cause sje got daddy issues or days
for days and days
But today, she ain;t got shit to do
Her ride along with you
So we gon’ fuck around and vide
and vibe /3x
But am I doing it right?
I’m tryna live my life
But I am doing it right?
Cause they ell me I am the man
you the man right now /2x
with the whole world wide with the palm of your hand right now
fuck the lighrs and the cameras
ad the money
and the fame
I;ma do it for the fam right now
I;ma get it for the 301 and RATTPACK cause you know

I work hard every motherfucking day
I work hard, I work hard every day
But today is my day, it’s my day
And no matter what they say, it’s my day
