Gustaw Rosiński, Cry Just A Little Bit

Everytime you have to whisper good-bye

Well
I cry just a little bit
cry just a little bit.
I know it's crazy and I don't know why

But I die just a little bit die just a little bit. I need to be the one that's by your side you are the beat in my heart. My love for you is something I can't hide

And I cry just a little bit cry just a little bit

Cry just a little bit cry just a little bit. Every night before I'm fallin' asleep

Well
I pray just a little bit
pray just a little bit.
I pray nobody wants your loving to keep
And you stray just a little bit
stray just a little bit.
Don't let temptation fill your heart with dreams

Don't let your mind run away.

Forbidden love is never what it seems

And you cry just a little bit cry just a little bit cry just a little bit.
You're the light that brightens all of my days

Yes the sun shines above you and I would die

If someone took you away 'cause I love you love you.
Cry just a little bit cry just a little bit.
I want forever to be you and I thats's the way it should be. I live for you and baby that is why I cry just a little bit

Cry just a little bit cry just a little bit. Every night we have to whisper good-bye

I cry just a little bit cry just a little bit. I know it's crazy and I don't know why

But I die just a little bit die just a little bit. Cry cry

cry

cry just a little bit cry just a little bit

Cry

cry cry cry just a little bit cry just a little bit
