Marshmello, Paralyzed

come on baby , stay with me
baby, why won’t you stay with me?
cause I know I’ve tried
and I know I’ve said goodbye
Baby without you by my side
i feel like i am Paralyzed

yeah, i feel like i am Paralyzed
yeah, i feel like i am Paralyzed

say something /20x

come on baby , stay with me
baby, why won’t you stay with me?
cause I know I’ve tried
and I know I’ve said goodbye
Baby without you by my side
i feel like i am Paralyzed

yeah, i feel like i am Paralyzed
yeah, i feel like i am Paralyzed

1, 2, 3 jump!

say something /20x

come on baby , stay with me
baby, why won’t you stay with me?
cause I know I’ve tried
and I know I’ve said goodbye
Baby without you by my side
i feel like i am Paralyzed
