

Gwen Stefani, Slow Clap (ft. Saweetie)

i will be David
You Goliath
set the rule and i will defy it
you'll be angry
i'll be quiet
you be purple
i am the violet
take a ride
cause i am the co-pilot
i'm the ice cream
you're just the diet
be the captain
i'll be the pirate
you 'll be Billy THE Kid
and i'll be the Wyatt

are you rooting for me like i am rooting for you
let me hear you get loud like surrounds sound

clap /10x
slow clap
walk into the room like a boss,
putting on a little extra sauce
slow clap
clap / 5x
slow clap
side srepping people down in the hall
slow clap
wnter spring or summer, or the Fall
slow clap

Been the champion, rang the bell
Rocked the bottom, been through hell
Climbed the mountain, now I'm well
I just feel like coming back for the belt
At the slipping and slipping
But now i am back for double dipping
Whom i kidding, i am winning
My gentelman is for myslef
I am throwing the Hail Mary to no one else
That's what i am cheering foe myself
Come on

clap /10x

side srepping people down in the hall

I don't wanna go to the back of the line
No, no, I put in my time
From the garage to the penthouse girls
Underdog to the top of the world
