

# Gwen Stefani, Used To Love You

Thought this would happen  
I let it sink in, you're gone  
I don't know, know what I'm feeling  
I must be dreaming, you're gone

Suitcase, band-aids  
Pulling back out the driveway  
You go, I'll stay  
You can keep all the memories  
I thought I was the best thing that ever happened to you  
I thought you loved me the most

I don't know why I cry  
But I think it's cause I remembered for the first time  
Since I hated you  
That I used to love you  
I don't know why I cry  
But I think it's cause I remembered for the first time  
Since I hated you  
That I used to love you

I used to love you  
I used to love you

Are you gone?  
There were no boundaries  
What, you just pushed me too far  
I guess nobody taught you  
Nobody taught you how to love

Suitcase, band-aids  
Pulling back out the driveway  
You go, I'll stay  
You can keep all the memories  
I thought I was the best thing that ever happened to you  
I thought you loved me the most

I don't know why I cry  
But I think it's cause I remembered for the first time  
Since I hated you  
That I used to love you  
I don't know why I cry  
But I think it's cause I remembered for the first time  
Since I hated you  
That I used to love you

I used to love you  
I used to love you

You know I was the best thing that ever happened to you  
I thought you loved me more, oh  
You know I was the best thing that ever happened to you  
Now look at what you lost, oh

I don't know why I cry  
But I think it's cause I remembered for the first time  
Since I hated you  
That I used to love you  
I don't know why I cry  
But I think it's cause I remembered for the first time  
Since I hated you  
That I used to love you

I used to love you

I used to love you

I don't know why I cry  
I don't, I don't, I don't  
I don't know why I used to love you  
I don't, I don't, I don't  
I don't know why I cry  
I don't, I don't, I don't  
I don't know why I used to love you  
I don't, I don't, I don't
