Marta Gałuszewska, Show Me

When you gonna see
My love don't come for free
Yeah, that's how it goes
That's how it goes, oh
So, baby, talk to me
Then you don't gotta leave now
You don't gotta go
Don't gotta go, no

Throw me some affection
Eh-oh, eh-oh
More than body interaction
Eh-oh, eh-oh
Gotta throw me some affection
Eh-oh, eh-oh
Eh-oh, eh-oh

Ref: What would you do for my loving
What you do for my loving
Would you do for my loving
Boy, show me what you got
What you do for my loving
Gotta prove what you rocking
Would you do for my loving
Show me I'm the one

Show me I'm, show me I'm
Show me I'm, show me I'm the one
Show me I'm, show me I'm
Show me I'm the one

Show me I'm, show me I'm
Show me I'm, show me I'm the one
Show me I'm, show me I'm

You know pink is VIP
So would you die for me
Say yes or no
Straight yes or no now
When I'm crying in your arms
Will you stay no matter what, yeah
Oh, I wanna know
I wanna know, oh

Throw me attention
Eh-oh, eh-oh
Body interaction
Eh-oh, eh-oh
Throw me attention
Eh-oh, eh-oh
Eh-oh, eh-oh
